Found on this plan:

Can you count the number of fish in the water?
Look closely at the animals. What are the animals like in
paradise? Circle the correct smiley face: 😊 😞

Isaiah 11:6-9 (Old Testament)

“The wolf will live with the lamb, the leopard will lie down with the goat, the calf and the lion cub will eat together, and a little child will lead them. The cow will graze with the bear, their young will lie down together, and the lion will eat straw like the ox. The infant will play near the cobra’s den, and the young child will put its hand into the viper’s nest. They will neither harm nor destroy on all my holy mountain, for the earth will be filled with the knowledge of the Lord as the waters cover the sea.”

This text from Isaiah is a magnificent prophecy about the era of peace and reconciliation that will come with the Messiah (Jesus). It is often used to speak of Paradise or the Kingdom of God, where there will be no more violence, even among animals.

Draw Your Vision of Paradise with nature, animals...

*To make the honey, put the pictures in the correct order
by writing the corresponding number!*
