

Lili and the Hive of the Heavens:

Domuspatris.com

Once upon a time, there was a little bee named Lili. She lived in a large beehive where everyone was grumpy. The Queen was always shouting, and the other bees only thought about making themselves beautiful. Lili, however, was sad. She wanted to sing, work happily, and love a kind Queen.

One morning, Lili said:
"I'm going to look for a better house!" And she left for the great forest.

The forest was beautiful, but a little scary. There was wind, rain, and big animals. But Lili met some new friends:

Gaston, an old beetle who limped but always smiled,
Fleurine, a little ladybug who prayed to God every morning,
Timothy, a pretty, very gentle butterfly.

One day, a big storm arrived! The wind was blowing very hard and the rain was falling like arrows.

Suddenly, they heard:

"Help!" It was Simone, a tiny little ant being swept away by the water!

Lili shouted:

"We must help him!" Gaston held the twig tightly with his big paws.

Fleurine flew in the rain, praying: "Good God, help us!"

Timothy opened his large wings like a bridge.

And Lili encouraged Simone: "Courage! We are here!"

Together, they saved the little ant.

They were soaking wet, but so happy!

After the storm, the sun came back out. They rested on a beautiful flower. Lili said:

"It's good to have friends and to help each other."

Years passed. Lili had a happy life despite life's struggles... One day, she sat down on a white flower, closed her eyes, and whispered:
"I am ready, I feel that I will soon go to join the Hive of Heaven; my mission here below is finished."

His spirit rose straight to the sky, as light and swift as a shooting star.

And then... oh, what a marvel!

The Hive of Heaven shone with a thousand golden lights!

Everything was sweet, warm, and full of love.

The honey was the sweetest in the world.

The bees were all singing together, very joyful.

The Queen of Heaven was very beautiful and very kind.

She greeted Lili with a big smile and said:

“Welcome home, my little Lili! You have been brave and good. Come, your place awaits you. Look at your family, your friends are waiting for you too and are happy to see you again!” From that day on, when a little bee on earth

is kind, brave and full of love, the Queen of Heaven looks down on her from heaven and prepares a beautiful little place for her in the luminous Hive.

And they were all very happy forever!
